Directions

The easiest way to find Michael's is to take highway 101 to Mountain View. Exit onto Shoreline Blvd. (aka Stierlin Road) north (towards the bay). Follow for about 1 mile until you reach the gate for Shoreline Park. Alternatively, you can exit onto Amphitheatre Parkway from 101 and follow it north/east (towards the bay) to Shoreline Blvd. Turn left (north) onto Shoreline and follow until you reach the gate for Shoreline Park. Enter the park through the gate, which will be open. Follow the road (~3/4 mi.) in a wide left curve around the park. Look for a sign pointing left for Michael's. Take a left turn and enter the parking lot. The building next to the parking lot is Michael's.

PRESENTATION:

**Plan, Organize
and Enjoy
a DXpedition**

**by
Rich Seifert KE1B**

Rich (KE1B) and Anna (W6NN) have raised Holiday DXpeditioning to an art form. Over the past 4 years they have traveled to numerous destinations in the Caribbean, the Mediterranean, and coastal Africa in search of fine food, great beaches, and massive pileups. Rich will explain the logistics involved in arranging their excursions, along with a detailed look into his "DXpedition-in-a-Box" portable station.

Combining lots of photographs from their travels, stories of their adventures in searching for exotic cuisine and fun, and insight into working the pileups from "the other side", this talk will show you a fun way to enjoy our hobby, and possibly encourage you to venture out on your own DXpedition.

Rich Seifert (KE1B) has been a ham since 1968, when he was first licensed as WN2DLJ in New York City. He obtained his Extra Class license in 1970. After moving to Massachusetts and changing his call to KE1B, he went QRT in 1982, focusing on his professional career. Although he didn't make a QSO for 25 years, he remembered to keep his license current. He rekindled his interest in the hobby in 2007, and has been very active ever since. Rich is primarily a DX'er and contester, but has been known to chew the rag and operate QRP from time to time.

Anna Sombor (W6NN) was first licensed in 2009 as KE1BYL, then obtained her Extra Class license and current callsign in 2011. She is primarily a contester and DX'er. She learned the code in the fall of 2010, and immediately won the first-ever CW Rookie Roundup, followed by a repeat win in 2011. She holds the all-time YL record for the California QSO Party, along with numerous other contest achievements.

Rich and Anna also contest in the multi-op category as the K6MMM monkeys (Monkey-Monkey-Monkey). Anna is primarily responsible for initiating their Holiday DXpeditions.

Soon we'll see the details of Rich's "DXpedition-in-a-Box" !.
